Swear by Your Own Section

Are you proud of your own community? If not, join hands and make it such that you and all your neighbors will be proud of it. The last man on earth which any community has any use for is the knacker. Abraham Lincoln once said:

"I like to see a man proud of the place in which he lives. I like to see a man who lives in it, so that his place will be proud of him. Be honest, but hate no one; overturn a man's wrongdoing, but do not overturn him unless it must be done in overturning the wrong. Stand with anybody that stands right, and part with him when he goes wrong."

There are few places in California which does not have abundant conditions which will go to make a productive and beautiful section if those who are developing it, work to their limit and then are proud of their work.

Look at the Colorado Desert where conditions were the most forbidding it is possible to imagine, and the bones of many a man have been left on these plains to bleach because of the death dealing heat of the sun. But that same heat, with the addition of water today, is making that one of the most wonderfully productive sections in the world, and you cannot come in contact with an "Imperialite" or resident of the Coachella valley but instantly they begin to brag of the wonderful country which is being developed.

"Be proud of the place where you live."—Cultivator.

Hon. Theo. A. Bell

We are pleased to note this week, that our old time friend, Theodore A. Bell, won a decided victory at the recent Democratic State Convention held this week in Fresno.

As everybody knows, Mr. Bell is of irreproachable character, strictly honorable and upright in all things. He is also a young man of unusual executive ability, and is just the ideal man for a political leader which this recent victory makes him. We believe the great rank and file of the true Democrats of California, will hail their new chief with loud acclaim.

St. Mary's Victorious

One of the most exciting and stubbornly fought basket ball games ever played here, took place in Union Hall last Saturday evening, between the boys' team of Sonoma high school and the boys' team of St. Mary's College of Oakland. The visiting team seemed to be on the average, taller and older than the home team, both of which conditions, acted as handicaps. Both sides tussled skillfully to win and the game was highly entertaining to the large crowd present. The score was 30 to 11 in favor of the college team.

A. E. Sondag, the Tailor

A. E. Sondag, the tailor, formerly of Sonoma, was in the valley this week taking orders for men's tailor-made suits. Mr. Sondag and family are temporarily located in Fruitvale, but the former expects to get permanent quarters for his tailoring establishment in the metropolis, in the near future. For many years he has enjoyed a liberal patronage from this valley and his work always gives satisfaction. Mr. Sondag will make regular weekly trips to the valley and solicits a share of the trade. Give him a trial order for a good suit and you'll be satisfied.

Engagement Announced

Another popular Sonoma county couple have announced their engagement the wedding to take place some time next month. The interested parties are Miss Belle Eager, formerly of Santa Rosa, now of Alameda, and Mr. Arthur S. Luce, Jr., of this city. The bride-to-be, who is a very attractive and accomplished girl, is the daughter of Mr. and Mrs. B. E. Eager, who made their home in the City of Roses for many years prior to their departure to Alameda a short time ago. The groom is a son of Mr. and Mrs. A. S. Luce of the county seat, and holds a position in the Sonoma Valley bank.

Mr. Luce is building a fine modern cottage in this city and when completed will be occupied as a home for himself and bride.

The happy couple have a host of friends and well wishers.

Biliousness and Constipation.

For years I was troubled with biliousness and constipation, which made life miserable for me. My appetite failed me. I lost my usual force and vitality. Pepsin preparations and cathartics only made matters worse. I do not know where I should have been today had I not tried Chamberlain's Stomach and Liver Tablets. The tablets relieve the ill feeling at once, strengthening the digestive functions, purify the stomach, liver and blood, helping the system to do its work naturally.—Mrs. Rosa Potts, Birmingham, Ala. These tablets are for sale by L. S. Simmons.

The Rose Carnival

The Rose Carnival in Santa Rosa last Friday and Saturday attracted an immense crowd. It proved to be a grand and beautiful affair, the best ever held there and was a complete success in every way. The affair was gotten up and conducted by the Woman's Improvement Club of the City of Roses.

The Most common cause of Suffering

Rheumatism causes more pain and suffering than any other disease, for the reason that it is the most common of all ills, and it is certainly gratifying to sufferers to know that Chamberlain's Liniment will afford relief, and make rest and sleep possible. In many cases the relief from pain, which is at first temporary, has become permanent, while in old people subject to chronic rheumatism, often brought on by dampness or changes in the weather, a permanent cure cannot be expected; the relief from pain which this liniment affords is alone worth many times its cost. 25 and 50 cent sizes for sale by L. S. Simmons.

Closing Exercises

The Presentation Convent School will mark the closing of another successful term of school, by a dramatic and musical entertainment in Union Hall on Tuesday evening, June 16, 1908. Great preparations are being made to make this affair eclipse all former similar events.

Chronic Constipation Cured

One who suffers from chronic constipation is in danger of many serious ailments. Foley's Orino Laxative cures chronic constipation as it aids digestion and stimulates the liver and bowels, restoring the natural action of these organs. Commence taking it today and you will feel better at once. Foley's Orino Laxative does not nauseate or gripe and is pleasant to take. Refuse substitutes. L. S. Simmons.

Owls Are Coming

Mr. Geo. W. Sullivan has been here this week soliciting our citizens to form a nest (lodge) of Order of Owls. He is meeting with much encouragement and confidently expects to sign up a large charter roll. The motto of this fine order is:

"There is so much bad in the best of us.
And so much good in the worst of us.
It hardly behooves any of us
To speak ill of the rest of us."

FINE BUSINESS OPPORTUNITY

Large new stone winery in this valley, complete with every modern convenience, good shipping point, capacity, 100,000 gallons, also, a quantity of fine wines and brandies also large modern home on the lot, containing about 1 1/2 acres of land. Price less than cost. For full particulars call or address Expositor office, Sonoma, Calif.

Deafness cannot be cured

By local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed, deafness is the result, and unless the inflammation can be taken out and this tube restored forever; nine cases out of ten are caused by Catarrh, which is nothing but an inflamed condition of the mucous surfaces.

We will give One Hundred Dollars for any case of Deafness (caused by catarrh) that cannot be cured by Hall's Catarrh Cure. Send for circulars free. F. J. CHENEY & CO., Toledo, O. Sold by Druggists, 75c. Take Hall's Family Pills for constipation.

Wickersham Case Ended

The Supreme Court affirmed the decision of the lower court in the Wickersham will contest. By this Mrs. Cora Wickersham, the wife of the late Frank P. Wickersham, who has been contesting her mother-in-law's will in the interest of her son, loses chances of sharing in the estate. The case, which has been bitterly fought for ten years, began at the death of Mrs. Lydia C. Wickersham, who left her son Frank a interest out of the instrument. The widow of Frank contested and a contract was shown by which Frank Wickersham for \$28,000 cash and several notes, had agreed not to contest the estate of his father, or mother. Mrs. Frank Wickersham attacked the validity of the contract and Judge Seawell, before whom the case was tried, decided that it was valid. The Supreme Court now upholds his decision. The Wickersham property will now go to Mrs. Thomas MacLay, Mrs. Mac Bergevin, daughters, and to the children of the late Fred A. Wickersham. The son of Frank, by reason of his late father's agreement now declared valid, has no interest in the estate.

Robin & Kiser

Messrs. Paul Robin and Theodore Kiser have moved into their new building on Napa St., near the City Hotel. They will conduct a first class barber shop, cigar stand and billiard parlor. Two sanitary bath tubs have been placed in the rear to accommodate those who believe in cleanliness. The new firm deserves success and no doubt will enjoy a liberal patronage.

List of Fire Wardens

State Forester G. B. Lull, has issued a complete list of the fire wardens of California, by counties, twelve being appointed for Sonoma county, as follows: John D. Boyd, Annapolis; William Fraser and J. C. Parmeter, Duncan's Mills; J. W. Harlan, Geyserville; J. B. Jackson and Thomas Hanson, Guerneville; Thomas Johnson, Glen Ellen; A. Brayton, B. W. McGrath and W. L. McCray, Cloverdale; Charles Solomon, Sebastopol; and T. B. Thurston, Moutrie.

Funeral of J. Leverone

The funeral of the late Jos. Leverone, took place last Saturday afternoon from Bates' undertaking parlors, thence to St. Francis' Church. Many friends and relatives gathered to show their last respect to one whom they had esteemed in life. The remains were laid to rest in the Catholic Cemetery.

DEATH OF MR. CHAUVET

The entire community was saddened this morning upon learning of the death of Joshua Chauvet, a highly esteemed citizen and pioneer of Glen Ellen. He had been ailing for some time and for the past few days, the end was hourly expected. Death came as a sweet release from pain at 3 o'clock this morning at the beautiful Chauvet home in Glen Ellen.

Joshua Chauvet was born in France, eighty-six years ago and came to California when a very young man. He first engaged in mining and afterward owned a flour and grist mill in Alameda county. In 1880, he came to this county locating in Glen Ellen, purchasing the property on which he has ever since resided. The winery there, which bears his name, was built in 1881.

Mr. Chauvet was an energetic, enterprising and successful business man and leaves an estate estimated at about \$100,000. Mrs. J. Chauvet passed away over thirty-one years ago. Henry J. Chauvet of Glen Ellen, is the only surviving son and heir.

In the passing of Joshua Chauvet, the community loses an honorable, upright man and a good citizen. He was a kind and generous man and enjoyed giving a helping hand to his less fortunate fellowmen.

The funeral will be held from his late home, to-morrow, (Saturday) at one o'clock p.m. Interment in Mountain cemetery.

Base Ball Game

There was a most interesting and exciting game of base ball played on the new grounds in El Verano, last Sunday afternoon. A picked team from Boyes Hot Springs, played a selected nine from El Verano. A large crowd attended from all parts of the valley and heartily enjoyed the contest. The score stood 10 to nine in favor of Boyes Springs team.

The new grounds are opposite the Bellevue Hotel and on next Sunday afternoon, another game will be played there between the Sonoma and El Verano team.

Attorney Frank Sprague

Attorney Frank Sprague will shortly open a law office in the Yenbi building, formerly occupied by Paul Robin as a barber shop, on Napa street. Mr. Sprague has been in Sonoma for the past few years and well known throughout the valley. He was formerly district attorney of Yolo Co., and state senator from that district and is an attorney of several years successful practice.

Attorney H. P. Matthewson

When the new Dal Poggetto building on Napa street shall have been completed, Attorney H. P. Matthewson will open law offices therein. Mr. Matthewson has had several years practice before the courts of this state, and will no doubt, secure a good clientage. He expects to be in his new office by July 1, 1908.

Death of a Child

The passengers all escaped injury but the following members of the train crew were killed: Fireman Cody; Express Messenger Jack Bughampton, Fireman Ward was severely injured. Express messengers McGoy, Cummings and another unknown man, are missing.

The cause of the accident is not definitely known, but it is supposed to have been due to spreading of rails or faulty running gear of the engine. The engine jumped the track and the baggage and express cars piled up on top and turned over on the westbound track.

The lateness of the morning train yesterday, was due to the accident, the wreckage having not been cleared away in time for regular schedule.

English Humor.

The English brand of humor is so state and state. It is not intended to be laughed at. The man who would laugh at Punch would go into hysterics at a funeral. Punch's notion of humor is altogether too sublime for any place outside of an English drawing room.—Ebeneyzer Independent, Ontario.

THE BADGE OF HONESTY

The above illustration represents the several native medicinal plants which enter into Dr. Pierce's Favorite Prescription.

It Stands Alone The one and only medicine for the cure of women's peculiar weaknesses and ailments, the ingredients of which are printed and placed upon every bottle wrapper leaving the great laboratory in Buffalo, N. Y., where it is made, is Dr. Pierce's Favorite Prescription.

It Stands Alone Not only in respect to its known composition, but also as the only specific advertised remedy for women's diseases which absolutely contains no alcohol.

It Stands Alone As the one medicine for women, the makers of which take their patients fully into their confidence and tell them exactly what they are taking. This Dr. Pierce can afford to do because his "Favorite Prescription" is made of such ingredients, and after a working formula which has thousands of cures to its credit—thus placing its merits above criticism.

It Stands Alone As nature's cure for the diseases peculiar to women, and is composed of Golden Seal root, Blue Cohosh

root, Unicorn root, Black Cohosh root, Lady's Slipper root and chemically pure glycerine of proper strength, to extract and preserve the medicinal principles residing in the roots employed, for any length of time in any climate. It is scientifically prepared by experienced chemists and pharmacists at the laboratory of the World's Dispensary Medical Association, Buffalo, N. Y.

In the early sixties it was usually the duty of a practicing physician to ride many miles every day on his regular round of visits upon his patients. In those days a young man who had received a careful medical training in one of the best colleges of that day was accustomed to ride ten, twenty and often thirty miles or more, visiting the sick and afflicted. His success was soon phenomenal. Doctors and families called him for consultation to towns at considerable distances by rail. He became especially noted in the cure of obstinate and distressing diseases of women. He had early discovered that by combining the extracts of certain native medicinal plants in just the right proportion, without the use of alcohol, his "Prescription" almost invariably cured such cases. Later, in order to place this remedy before the public in a shape easily to be procured, he established a laboratory at Buffalo, N. Y., where regularly qualified chemists and pharmacists were put in charge to accurately prepare his "Prescription" and put it in shape for shipment. This remedy, which he named Dr. Pierce's Favorite Prescription, is not a "patent medicine," but is a real prescription of a real physician in a real practice, and hence the name.

Pierce's Pleasant Pellets

These tiny, sugar-coated, anti-bilious granules regulate Stomach, Liver and Bowels, cure Constipation and Bad Stomach, attended by foul breath. One or two for a laxative, three or four for a cathartic.

This great family Doctor Book FREE on receipt of 21 one-cent postage stamps to cover cost of mailing only, or, in the cloth binding 31 stamps. Address: Dr. R. V. Pierce, 663 Main Street, Buffalo, N. Y.

BREVITIES

The first full carload of cherries out of Vacaville was forwarded April 29 and was sent to Chicago. Last year's first full car was on May 5th.

Later estimates in the matter of the output of prunes in Santa Clara valley have caused the committee of the Grange of San Jose to report an exceedingly light crop. It is not almost complete failure. White cherries will be a fair crop and black cherries very light.

A shire colt at Springfield, Oregon, whose mother died immediately after foaling, has been adopted by a Durham cow, and she nurses and guards the colt as if it were her own calf.

A fruit buyer working in the section of the Santa Clara valley predicts good prices for all shipments of green fruit this year, and fair return for all dried fruit.

Manager of the California Fruit Company at Chico reports good outlook for fruit with but little pear blight in evidence.

The plan of pumping water for irrigation from the Sacramento river is proving to be popular with farmers about the river banks.

It is a pity to see a person neglect indications of kidney or bladder trouble that may result in Bright's disease when Foley's Kidney Remedy will correct irregularities and strengthen these organs. Take Foley's Kidney Remedy at the first sign of danger. L. S. Simmons.

Favorable weather conditions in southeastern Oregon during the winter and early spring makes its crop of winter wheat promise a vast yield.

For a burn or scald apply Chamberlain's Salve. It will allay the pain almost instantly and quickly heal the injured parts. For sale by L. S. Simmons.

Nurserymen at El Centro have ordered one ton of eucalyptus seed from Australia.

Bad Attack of Dysentery cured
"An honored citizen of this town was suffering from a severe attack of dysentery. He told a friend if he could obtain a bottle of Chamberlain's Colic, Cholera and Diarrhoea Remedy, he felt confident of being cured, he having used this remedy in the West. He was told that I kept it in stock and lost no time in obtaining it, and was promptly cured," says M. J. Leace, druggist of Walcott, Vt. For sale by L. S. Simmons.

The Sacramento Valley was visited by a series of showers about the first of May which did much good to late sown wheat.

Serious Results Feared
You may well fear serious results from a cough or cold, pneumonia, and consumption start with a cold. Foley's Honey and Tar cures the most obstinate coughs or colds and prevents serious results. Refuse substitutes. L. S. Simmons.

Honey Lake near Susanville, Lassen Co., is lower now than at any year before at this season of the year.

Personal
If any person suspects that their kidneys are deranged they should take Foley's Kidney Remedy at once and not risk having Bright's disease or diabetes. Delay gives the disease a stronger foothold and you should not delay taking Foley's Kidney Remedy.

Twelve acres of rice has just been planted near Biggs.

Thirty thousand dollars' worth of fruit and appliances were destroyed by fire recently.

Whooping cough
"In February our daughter had the whooping cough. Mr. Lane, of Hartland, recommended Chamberlain's Cough Remedy and said it gave his customers the best of satisfaction. We found it as he said and can recommend it to anyone having children troubled with whooping cough," says Mrs. A. Goss, of Durand, Mich. For sale by L. S. Simmons.

Parcels of land are being allotted to the Klamath Indians, about a thousand of them being entitled to parcels.

Human Filters
The function of the kidneys is to strain out the impurities of the blood which are constantly passing through them. Foley's Kidney Remedy makes the kidneys healthy so they will strain out all waste matter from the blood. Take Foley's Kidney Remedy at once and it will make you well. L. S. Simmons.

Origin of Certain Calls.
The first curtain call took place on the evening of Feb. 26, 1770. On that memorable evening Voltaire's "Metecop" was performed for the first time in Paris. The author was known to the Paris public, but nothing that they had seen of his had pleased them so much as "Metecop," and the enthusiasm found expression in noisy demands to see the author. In a letter Voltaire says this of the incident: "They dragged me out and led me by force to the box occupied by the Duchesse de Villars and her daughter-in-law. The whole theater seemed to have gone mad—all shouted to the duchesse to kiss me. The noise became so great that the lady finally obeyed. So I was, like Alain Chartier, publicly kissed, but he was asleep, while I was wide awake." Now authors answer similar calls by appearing before the curtain. They gain in so far that they can be seen better by their audience, but they must dispense with the duchesse's kiss—at least in public.—Berliner Tageblatt.

Absentminded.
She was an exceedingly dainty little woman, who was taking a very great interest in the welfare of the convicts when she was being shown through the penitentiary the other day. Guard O'Brien was along when she happened to speak to one of the prisoners. "I am so sorry for you," she remarked in a tender tone of voice. "Of course you will be very thankful when the time comes for you to leave this dreadful place."

"No," retorted the man. "I'd a sight better stop here where I am." The little woman almost collapsed. "Isn't it strange?" she asked, turning to the guard. "I had no idea the prisoners were so contented. What was the poor fellow's offense?" The guard concealed a covert grin. "He was just a little absentminded, that was all," followed the grin. "An absentminded" examined his astonished interrogator. "Yes, madam," politely replied O'Brien. "He persisted in forgetting he was married, and now when his time is up he has five wives awaiting him on the outside."

The woman could not deny that the convict had sufficient reasons to be contented with his present lot.—Columbus Dispatch.

What Words Can Do.
"Any one who swears," declared the bishop of Carlisle, "manifests the beggarliness of his vocabulary." The Concord Patriot puts it in this fashion: "People swear because they do not know the possibilities of plain English or have not the skill to manipulate it so that it will yield the amount of fire they want. You can do almost anything with common words. No matter how tame and lifeless they look standing in stupid rows as if they didn't know enough to come in when it rained, they can be made to dance like imps, to frolic like fairies, to float angelically on light wings, to glow like fire spirits. They can do things that make the ordinary bits of profanity look like feeble scarecrows stiffened up with a fence stake. The cure for profanity—reformers and educators please make a note—is merely wit enough to handle your words so that swearing will seem like baby talk in comparison."

Colds That Hang On
Colds that hang on in the spring deplete the system, exhaust the nerves, and open the way for serious illness. Take Foley's Honey and Tar. It quickly stops the cough and expels the cold. It is safe and certain in results. L. S. Simmons.

The next show of the Petaluma Poultry Keepers' Association will be held December 14th to 19th.

Wise Talks by the Office Boy Repeated

There are lots of men who are about as much benefit to a community as a last year's almanac. I sat beside one of the richest men in town in church last Sunday, and honest, he only put a penny on the plate, while I, at twelve per, put up a nickel. I think a man who drops a penny on the contribution plate and expects a golden crown has faith to burn. Honest, when a lady buys a new dress she wants a nice pair of gloves to match and a new veil and some stylish neckwear. She wants some new linen, handkerchiefs, a new back comb and a pair of nobby shoes. If folks would come to this store and see the fine goods we are handing out for little money they could finish out their costumes and look as neat and trim as a tourist. When are you coming in?
